

INSPIRE YOUR STUDENTS WITH A **FREE EDUCATIONAL VISIT**

Bring STEM subjects to life and inspire your students with the excitement of the America's Cup and INEOS TEAM UK by visiting the home of a professional sailing team.

Explore hands-on activities and see cutting edge technology in action.

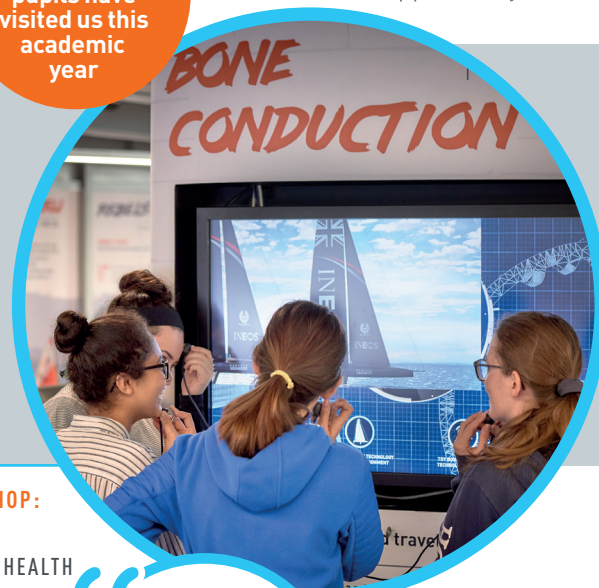

Enhance your curriculum with an interactive STEM workshop based on the real-life challenges faced by the engineers and designers in this high-performance sports team.

Book your **FREE half day visit**, including a national curriculum aligned workshop: www.1851trust.org.uk/school-visits/

Over
2,000
pupils have
visited us this
academic
year

STEM CREW

supported by INEOS

CHOOSE YOUR INTERACTIVE WORKSHOP:
